DYKES_I_013884

June 14, 1978

Dear Giles Pelkey,

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

William M. McElroy
Scout Executive

On June 14, 1978 at approximately 4:00 p.m. Mike Harris and myself hand delivered a letter to Giles Pelkey at his place of employment at Wilco, Dutch Square, W. Columbia. He works in the photography retail Division.

I said "Giles, here is a letter which Mr. McElroy asked me to hand deliver to you. Please contact him if you desire to take further action". There was no other conversation on the part of anyone present. Giles Pelkey did not speak. He took the letter and read it. We then left.
